

## Resubmitting an eConsult

1. Once you have logged in you can copy the information from your previous intake form

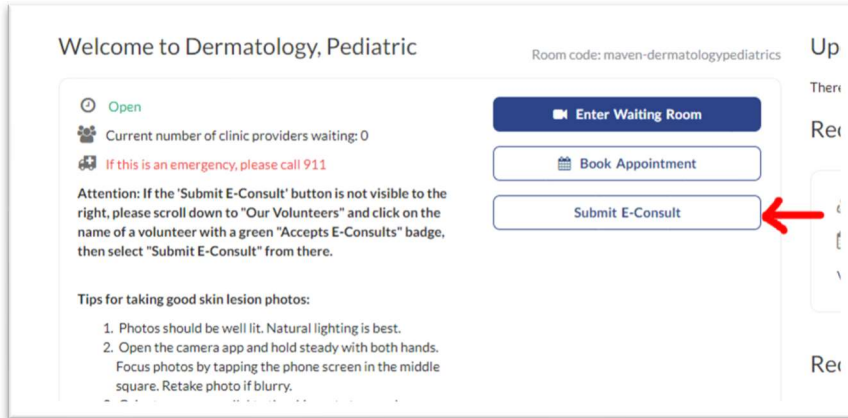

The screenshot shows the MAVEN Project dashboard. On the left, there is a search bar with a red box around it and a red arrow pointing to it, labeled with a '2'. Below the search bar are several category buttons for medical specialties. On the right, there are sections for 'Upcoming Appointments' and 'Recent Visits'. In the 'Recent E-consult' section, the 'Recent E-consult' link is highlighted with a red box. Below it, there is a 'View Intake' link with a red arrow pointing to it, labeled with a '1'.

The screenshot shows the 'INTAKE' form. At the top, the word 'INTAKE' is in a red box. Below it, the date is '09/20/2022 03:23 PM'. The main text reads: 'Reason for consult (without including PHI). Please number each case if you plan to discuss more than one.' Below this, the word 'test' is followed by a red arrow pointing to a 'Copy Intake Information' button. Below that, the text says 'Number of cases to be discussed' followed by the number '1'. At the bottom, there is a question: 'Is this consult regarding a case previously discussed with this physician?' with the answer 'No'. An 'Ok' button is at the bottom right.

2. Select your specialty and Click Submit eConsult.

Welcome to Dermatology, Pediatric Room code: maven-dermatologypediatrics

**Open**  
Current number of clinic providers waiting: 0  
**If this is an emergency, please call 911**

**Attention:** If the 'Submit E-Consult' button is not visible to the right, please scroll down to "Our Volunteers" and click on the name of a volunteer with a green "Accepts E-Consults" badge, then select "Submit E-Consult" from there.

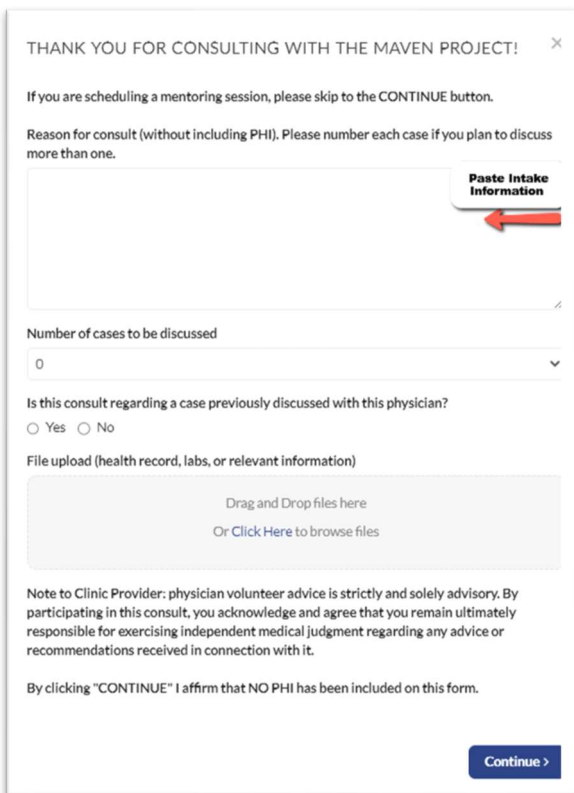

**Tips for taking good skin lesion photos:**

1. Photos should be well lit. Natural lighting is best.
2. Open the camera app and hold steady with both hands. Focus photos by tapping the phone screen in the middle square. Retake photo if blurry.
