

Volunteer Connect – Directory

The directory below shows the available volunteers for chat on VSee. The directory is organized by specialty and includes the volunteer’s name and his or her interests. A volunteer may be listed more than once if they are servicing more than one specialty.

Addiction Medicine

Charles Schwartz	Primary Care Medicine, Primary Care Psychiatry, Non-pharmacologic Treatments, Integrated Care, Alcohol and Addiction, Palliative Medicine/End-of-Life Care, Mourning/Bereavement, Bioethics, Informed Consent, Advance Care Directives
Kevin Walsh	Addiction Medicine, Chronic Pain, Opioid Dependency, Communication Skills, Provider Wellness, Certified Mindfulness Teacher

Adolescent Medicine

E. Marco Baisch	Eating Disorders, High Risk Youth
Najah Musacchio	Adolescent and Young Adult Health; Mental Health; Sexual/Reproductive Health

Allergy & Immunology

James Banks	Food and respiratory allergy, asthma, atopic dermatitis, urticaria
Peg Strub	Asthma, Allergic Rhinitis, Hives
Rosa Ten Boquera	General Adult and Pediatric Allergy and Immunology
Sulochina Lulla	Allergy/Immunology, Asthma, Food Allergy, Drug Allergy, Allergic Rhinitis, Eczema, Advanced Health Care Directives, Chaplain, Theosophy/End of Life Issues

Allergy & Immunology, Pediatric

James Banks	Food and respiratory allergy, asthma, atopic dermatitis, urticaria
Peg Strub	Asthma, Allergic Rhinitis, Hives
Rosa Ten Boquera	General Adult and Pediatric Allergy and Immunology

**Behavioral
Medicine, Child &
Adolescent**

Najah Musacchio	Adolescent and Young Adult Health; Mental Health; Sexual/Reproductive Health
-----------------	--

Cardiology

Barbara Boylan	Adult Cardiology, Heart Failure, Coronary Disease, Afib/Arrhythmias
Bradford Lipman	General Cardiology, ECG Interpretation
Bruce McAuley	General Adult Cardiology
Charles Schulman	ECGs, Arrhythmias, Hypertension, Heart Failure, Lipids
David Boston	Cardiology, Informatics
Gary Snyder	General Adult Cardiology
George Bandow	General Cardiology, Interventional Cardiology, Hypertension. ECG Interpretation
Gerald Angoff	Pediatric/Adult Congenital Heart Disease, Valvular Heart Disease, Echocardiography, Rheumatic Heart Disease, EKG Interpretation
Harry Schwartz	Coronary Artery Disease, Atrial Fibrillation, Echocardiography, EKG interpretation
Joel Sklar	CAD, Arrhythmias, Med Management, Noninvasive Testing
Norman Cagin	General Adult Cardiology
Prasad Palakurthy	Cardiac Electrophysiology including all Arrhythmias, Pacemakers, Defibrillators.
Robert C. Master	General Cardiology, Lipids, Hypertension, Heart Failure, Coronary Disease, EKGs, Arrhythmias
Robert Cooper	EKG, Lipids, Heart Failure

**Cardiology,
Pediatric**

Claude Rogé	Heart Murmur, Chest Pain, Syncope and Palpitations, Cardiac Diseases in children and adolescents
Gerald Angoff	Pediatric/Adult Congenital Heart Disease, Valvular Heart Disease, Echocardiography, Rheumatic Heart Disease, EKG Interpretation

Colorectal Surgery

Henry Eisenberg	Surgical Care and Management, Inflammatory Bowel Disease, Business of Medicine: Payer Issues, Contracting, Practice Management
Richard Scott Nelson	Colon, rectal and anal cancer; Anorectal disorders: fistulas, fissures, hemorrhoids; Inflammatory bowel disease; Diverticulitis; Pelvic floor disorders, including rectal prolapse and fecal incontinence.

COVID-19

Deborah Gold	General Adult Infectious Diseases (except hepatitis B and C)
--------------	--

Dermatology

Ann Ortmeyer	General Adult Dermatology
Grace Bandow	General Adult Dermatology
Karen McKoy	General Medical Dermatology
Lynn Sydoor	Adult and Pediatric Medical Dermatology, Skin Cancer, Dermatitis
Paula "Wendy" Huber	Clinical Mentoring, Leadership Mentoring, Allergic Contact Dermatitis
Stacy Salob	Skin Cancer Early Detection/Treatment, General Dermatology
William Liss	Allergic Contact Dermatitis

**Dermatology,
Pediatrics**

Howard Pride	General Pediatric Dermatology
Susan Boiko	General Pediatric Dermatology, Support groups for children and families with chronic skin disease

**Eating Disorders,
Adolescent**

E. Marco Baisch	Eating Disorders, High Risk Youth
Najah Musacchio	Adolescent and Young Adult Health; Mental Health; Sexual/Reproductive Health

Endocrinology

Atara Schultz	General Adult Endocrinology
Craig Sadur	General Adult Endocrinology, Lipids, Adult Transgender Hormone Management
Cynthia Leigh	Diabetes, Thyroid, Adrenal Insufficiency
Deborah Brigell	General Adult Endocrinology
James Goldman	General Endocrinology
Kenneth Snow	Diabetes, General Endocrinology
Merri Pendergrass	Diabetes, General Endocrinology, Transgender Care
Sushma Reddy	Diabetes, CGM (continuous glucose monitoring)
Vijay Shivaswamy	Diabetes mellitus (Type 1, Type 2, etc), Thyroid disorders (excluding thyroid cancer), Osteoporosis, Hypo/hypercalcemia, Male hypogonadism, Adrenal disorders (excluding Adrenal Cancer)

**Endocrinology,
Pediatric**

Allen Root	Disorders of Bone and Calcium Metabolism, Disorders of Sexual Differentiation and Growth
Debra Cohen	Disorders of Thyroid, Puberty, Short Stature, Poor Growth, and Pituitary, Plus Obesity and Diabetes.
Pratima Misra	General Pediatric Endocrinology, Pediatric Transgender Hormone Support

**Endocrinology,
Transgender (Adult)**

Craig Sadur	General Adult Endocrinology, Lipids, Adult Transgender Hormone Management
Merri Pendergrass	Diabetes, General Endocrinology, Transgender Care

**Endocrinology,
Transgender
(Pediatric)**

Pratima Misra	General Pediatric Endocrinology, Pediatric Transgender Hormone Support
---------------	--

Family Medicine

Beatrix Roemheld-Hamm	Integrative Health, General Family Medicine
Franklin Weingarten	Provider/Patient Interactions, Counseling Patients, General Family Medicine
Fred Kleinsinger	General Family Medicine
John Orzano	Interpretation and Application of Evidence, Adaptive Leadership, Team Membership, Knowledge Management
Kari Alperovitz-Bichell	Clinical Mentoring, Diabetes Care, Chronic Disease Management, Women's Health
Linda Hermans	General Family Practice, Substance Use Disorder Management, Geriatric Medicine
Michael Day	Clinical Mentoring, General Family Medicine
Paul Hart	Clinical Mentoring, General Family Medicine
Peter McGough	Leadership Mentoring, Population Health, Integrating Behavioral Health Into Primary Care, Team Care
Robert Dickman	Geriatrics - Deprescribing Meds, Dementia, Depression, Ethical Decision Making at the End of Life, Delirium
Shakira Husain	Preventive Care, HTN, DM, Thyroid disease, Hyperlipidemia, and other general medicine issues
Stephen Fisk	Acute and/or Unstable Presentations, General Internal Medicine, Clinical Pharmacology, Cardiology, Medication Education of all types
Tom Norris	Clinical and Leadership Mentoring, Geriatrics, Primary Care Procedures
Vahe Keukjian	Diagnostic Mysteries, Complex Patients, Advance Directives and End of Life Discussions, Clinical Mentoring

Gastroenterology

Bradley Winston	Viral Hepatitis, NAFLD, All Liver Disease Problems, All General GI Problems from esophagus to colon.
David Nano	Inflammatory Bowel Disease, Liver Disease
Douglas Levin	General Liver Disease, Abnormal Liver Chemistries, Fatty Liver, Viral Hepatitis A, B, C, D, E, Autoimmune Disease, Primary Biliary Cholangitis, Sclerosing Cholangitis, Alcoholic Liver Disease, Drug Induced Liver Disease
Lawrence Lusk	General Adult Gastroenterology
Richard Sundberg	General Gastroenterology, IBD, GI Malignancies, Acid-Peptic Disease, Diarrhea/Malabsorption, Liver Disease
William Steinberg	General Gastroenterology, Pancreatic Disorders

Gastroenterology, Pediatric

Edward Rich	General Pediatric Gastroenterology
Terry Hatch	General Pediatric Gastroenterology

General Surgery

Mark Cotner	General Surgery, Breast Surgery, Wound Care, Veterans Administration and Rural Care, Cost-Effective Care
Richard Scott Nelson	Colon, rectal and anal cancer; Anorectal disorders: fistulas, fissures, hemorrhoids; Inflammatory bowel disease; Diverticulitis; Pelvic floor disorders, including rectal prolapse and fecal incontinence.

Genetics

Bruce Blumberg	General Genetics: Prenatal, Pediatric, and Adult; Dysmorphology/Multiple Malformation Syndromes, Including Chromosomal Disorders; Skeletal and Connective Tissue Disorders
Germaine Defendi	Medical Genetics, Cytogenetics, Eating Disorders

**Genetics,
Pediatric**

Bruce Blumberg	General Genetics: Prenatal, Pediatric, and Adult; Dysmorphology/Multiple Malformation Syndromes, Including Chromosomal Disorders; Skeletal and Connective Tissue Disorders
Germaine Defendi	Medical Genetics, Cytogenetics, Eating Disorders

Geriatrics

Barbara Loeb	Mindfulness, Narrative Medicine, Clinical and Leadership Mentoring
Barbara Malach	General Internal Medicine, Geriatric Medicine, Nursing Home Medicine
Charles Schwartz	Primary Care Medicine, Primary Care Psychiatry, Non-pharmacologic Treatments, Integrated Care, Alcohol and Addiction, Palliative Medicine/End-of-Life Care, Mourning/Bereavement, Bioethics, Informed Consent, Advance Care Directives
Diane Feldstein	Defining goals of care for older adults. Strategies to avoid overutilization of limited medical resources for older adults. General geriatrics. General internal medicine.
Geetha Raja	Geriatrics
Lynn Li	Geriatrics, General Medicine and Primary care.
Robert Dickman	Geriatrics - Deprescribing Meds, Dementia, Depression, Ethical Decision Making at the End of Life, Delirium
Tom Norris	Clinical and Leadership Mentoring, Geriatrics, Primary Care Procedures

Gynecology

Elisabeth Fontaine	Lifestyle Medicine: Prevention, Treatment and Reversal of Chronic Disease, Obstetric and Gynecology, Well-being and Leadership Coaching (ICF Credential)
Elizabeth Kopin	Menopause Management, Adolescent Gynecology, Gyn Mentoring
Elizabeth Sauter	General Gynecology, Peri- and Menopause, Abnormal Uterine Bleeding, Contraception, Pap Smear Management
Jan Herr	General Gynecology, Midlife Women's Health
Joan Lister	Complicated Problems in Outpatient Gynecology, General Gynecology
Katherine Gregory	General Gynecology
Laurie Greenberg	General Gynecology
Prasanna Menon	General Gynecology, Lifestyle Medicine
Tracy Flanagan	Leadership Mentoring, Performance Improvement, Population Health, Leadership Skills
Tracy Flum	All things obgyn: DUB, contraception, dysplasia, infertility, menopause, STI treatment, PCOS

Hematology

Charles Douglas Taylor	Adult Non-Malignant Hematology
Jerry Spivak	Disorders of erythrocytes, leukocytes, platelets, with bone marrow failure and the myeloproliferative neoplasms.
John Farnen	General Adult Hematology, Hematology Malignancies: Leukemia, Myelodysplasia, Myeloma, Lymphoma. Anemia, Erythrocytosis/Polycythemia. Thrombocytopenia and Thrombocytosis. Leukocytosis and Leukopenia. Coagulation and Thrombosis; Coagulopathies/Hemophilia.
Marc Rosenshein	General Adult Hematology and Oncology

**Hematology,
Pediatric**

Stacy Month	Sickle Cell Disease, General Hematology and Oncology
-------------	--

Hepatology

Bradley Winston	Viral Hepatitis, NAFLD, All Liver Disease Problems, All General GI Problems from esophagus to colon.
Douglas Levin	General Liver Disease, Abnormal Liver Chemistries, Fatty Liver, Viral Hepatitis A, B, C, D, E, Autoimmune Disease, Primary Biliary Cholangitis, Sclerosing Cholangitis, Alcoholic Liver Disease, Drug Induced Liver Disease
Mary Pat Pauly	General hepatology, diseases of the biliary tract, liver transplant evaluation, viral hepatitis, autoimmune liver diseases, drug induced liver disease, work up of abnormal liver enzymes, work up of mass lesions in liver, cirrhosis, portal hypertension.

HIV/AIDS

Carrie Horwitch	HIV Care, Sexually Transmitted Diseases, Transgender Care, General Internal Medicine, Public Health, Travel Medicine
David Dorsky	HIV/AIDS, Travel ID, General ID
Deborah Gold	General Adult Infectious Diseases (except hepatitis B and C)
Saadia Griffith-Howard	HIV Medicine, General Infectious Diseases
William Strull	HIV Care, Screening and Prevention for Cardiovascular Disease and Cancer, Quality Improvement and Patient Safety

Infectious Disease

David Dorsky	HIV/AIDS, Travel ID, General ID
Deborah Gold	General Adult Infectious Diseases (except hepatitis B and C)
Hanumara R. Chowdri	Adult Infectious Disease, Vector-Borne Disease
Jay Solnick	Adult Infectious Diseases
Mimi Cameron	HIV/AIDS, General Infectious Diseases, TB/Atypical Mycobacterium, Infections in Immunocompromised Hosts
Saadia Griffith-Howard	HIV Medicine, General Infectious Diseases

**Infectious Disease,
Pediatric**

Bernhard Wiedermann	Infectious diseases in children and adolescents, intrauterine and perinatal infections, evidence-based medicine
---------------------	---

**Infectious Disease,
STD/STI**

Carrie Horwitch	HIV Care, Sexually Transmitted Diseases, Transgender Care, General Internal Medicine, Public Health, Travel Medicine
Hunter Handsfield	Sexually Transmitted Diseases/Infections (STD, STI), Genitourinary Infections

Internal Medicine

Barbara Loeb	Mindfulness, Narrative Medicine, Clinical and Leadership Mentoring
Barbara Malach	General Internal Medicine, Geriatric Medicine, Nursing Home Medicine
Betsy Strong	Clinical Mentoring, General Internal Medicine
Carrie Horwitch	HIV Care, Sexually Transmitted Diseases, Transgender Care, General Internal Medicine, Public Health, Travel Medicine
Charles Neiditz	Clinical Mentoring, Diabetes Management, Hypertension Management, EHR Charting Efficiency, Time Management,

Charles Schwartz	Primary Care Medicine, Primary Care Psychiatry, Non-pharmacologic Treatments, Integrated Care, Alcohol and Addiction, Palliative Medicine/End-of-Life Care, Mourning/Bereavement, Bioethics, Informed Consent, Advance Care Directives
Cynthia Point	Clinical Mentoring, Preventive Health, General Medicine including Evaluating Lab Tests, Hypertension, Hyperlipidemia, Diabetes, Thyroid Disease, Joint Injuries and Diseases, Skin Lesions
Diane Feldstein	Defining goals of care for older adults. Strategies to avoid overutilization of limited medical resources for older adults. General geriatrics. General internal medicine.
Edward Hattler	Hyperlipidemia - when to use statins, Addiction Medicine - tapering patients off of opioids, Musculoskeletal Injuries - developing an active recovery program, Leadership Mentoring
Geetha Raja	Geriatrics
Gretchen Kunitz	Clinical and Leadership Mentoring, General Adult Medicine
Ida Gorenburg	General Primary Care
Jeanne Reisman	Clinical and Leadership Mentoring, Pain Management (non-pharmacological)
Jeffrey Siegel	Lipidology, General Internal Medicine
Jill Silverman	Clinical Mentoring, General Rheumatology, Chronic Disease Management
John Cramer	Leadership Mentoring, Hospital Medicine
John Mazzullo	Men's Health, General Internal Medicine
Justus Fiechtner	General Adult Rheumatology
Kevin Walsh	Addiction Medicine, Chronic Pain, Opioid Dependency, Communication Skills, Provider Wellness, Certified Mindfulness Teacher
LoAn Nguyen	Clinical and Leadership Mentoring, Primary Care Diagnostic and Management Challenges, Using Lifestyle Medicine to Treat Diabetes and Diabetes Prevention, Four Habit Communications for Clinicians
Lynn Li	Geriatrics, General Medicine and Primary care.
Meg (Margaret) Durbin	

Paula "Wendy" Huber	Clinical Mentoring, Leadership Mentoring
Robert Lohr	Perioperative Medicine, General Internal Medicine, Management of Chronic Disease
Roxana Cruz	
Susan Leggett-Johnson	Weight Management, Hormone Therapy, General Internal Medicine.
William Strull	HIV Care, Screening and Prevention for Cardiovascular Disease and Cancer, Quality Improvement and Patient Safety

Lifestyle Medicine

Elisabeth Fontaine	Lifestyle Medicine: Prevention, Treatment and Reversal of Chronic Disease, Obstetrics and Gynecology, Well-being and Leadership Coaching (ICF Credential)
--------------------	---

Lipidology

Charles Schulman	ECGs, Arrhythmias, Hypertension, Heart Failure, Lipids
Craig Sadur	General Adult Endocrinology, Lipids, Adult Transgender Hormone Management
Jeffrey Siegel	Lipidology, General Internal Medicine

Mentoring

Barbara Loeb	Leadership, well-being, communication, quality and population health, general medicine
Barbara Malach	General internal medicine, geriatrics, palliative /hospice
Beatrix Roemheld-Hamm	Integrative medicine, provider resiliency, self-care
Betsy Strong	General internal medicine
Bruce McAuley	Cardiology - all areas
Carrie Horwitch	LGBTQ care, care of people living with HIV, general internal medicine, clinician well being
Charles Neiditz	General internal medicine, diabetes, hypertension
Cynthia Leigh	Diabetes, thyroid disease
Cynthia Point	Endocrinology, skeletal problems, cardiovascular
Douglas Cappiello	N/A

Edward Hattler	N/A
Elisabeth Fontaine	Women’s health, lifestyle medicine, exercise physiology
Franklin Weingarten	Provider/Patient Interactions, Counseling Patients, General Family Medicine
Fred Kleinsinger	Primary Care, Communication, Medication Nonadherence
Germaine Defendi	Academic medicine, Medical Genetics, Medical writing for publications, Working with residents in underserved populations
Gretchen Kunitz	N/A
Jeanne Reisman	Complex/difficult patients, non-cancer chronic pain management, work/life balance, self-care, communication skills
Jill Silverman	Rheumatology
Joan Lister	Gynecology
John Mazzullo	Primary Care
John Orzano	Complex patients and families
Judian Smith	Psychiatry, communication skills, working with difficult patients
Kari Alperovitz-Bichell	Adults and older adolescent primary care
Kevin Walsh	Addiction Medicine, Chronic Pain, Opioid Crisis, Clinical Wellness, Communication Skills, Team Building
Linda Herman	Full range of family practice. In most recent years a larger proportion of geriatric medicine, behavioral health and substance use disorder
LoAn Nguyen	Leadership skills, communication skills, complex cases diagnosis and management, provider wellness
Lois Freedman	Interface of medicine, psychiatry, geriatrics
Maggie Smeal	N/A
Martine Solages	Pediatric anxiety disorders; intersection between psychiatric and physical health conditions
Meg Durbin	Women's Health, general primary care, communication skills
Michael Day	N/A
Miriam Heiferman	General pediatrics
Najah Musacchio	Adolescent and young adult health, mental health, reproductive/sexual health
Paul Hart	How to relate to patients

Peter Greenspan	General pediatrics
Peter Kenney	N/A
Peter McGough	N/A
Prasanna Mennon	N/A
Robert Lohr	Peri-operative, volunteering
Scott Abramson	Communication, physician wellness, time management
Shakira Husain	Hypertension, Osteoporosis, Communication skills, Preventive medicine, and any other internal medicine topics
Shawn Barnes	Holistic psychiatry, Benzo tapering
Stuart Eisendrath	Depression
Susan Leggett-Johnson	N/A
Sushma Reddy	Diabetes - CGM
Tom Norris	Primary Care, Geriatrics
Tracy Flanagan	Women's Health, Communication skills, Program development, Quality Improvement, Performance Improvement, time management, developing an area of expertise, managing mistakes or unexpected results
Vahe Keukjian	Difficult diagnosis, complex cases and discussions about advance directives
Wendy Huber	N/A
William Strull	HIV, Cardiovascular, and Cancer screenings/prevention

Nephrology

Harold Thies	General Nephrology
Lucius Wright	General Nephrology, Hypertension, Fluid & Electrolyte Problems
Melanie Hoenig	CKD, hyponatremia, hypokalemia, hyperkalemia, CKD in context of HIV, kidney stone prevention

Neurology

Curtis Hagenau	General adult neurology, the A to Z spectrum that is seen in a primary care clinic
Heidi Shale	Movement Disorders: Parkinson's Disease, Tremors, Tics
Jai Cho	Stroke, Hospital Neurology, General Neurology, Headaches
Richard Mesher	Seizures/Epilepsy, Headache, Parkinson's Disease, Neuropathy
Scott Abramson	Interests: General Adult Neurology

**Neurology,
Pediatric**

Jay Selman	General Pediatric Neurology, Headaches/Migraine, Epilepsy, Autism, ADHD, Tics/Tourette, Developmental Delay, Learning Disabilities
Jean Hayward	General Pediatric Neurology, Headaches, Epilepsy, Tics/ Tourette's
Michael E. Cohen	Childhood Brain Tumors, Epilepsy, Developmental Delay, Neurocutaneous Disease, Neonatal Neurology, Autoimmune Syndromes, Guillain Barre, Genetic Disease, Cerebral Palsy, Muscle Disease and Peripheral Neuropathy, Infectious Disease of the Nervous System

**Neuro-Oncology,
Pediatric**

Michael E. Cohen	Childhood Brain Tumors, Epilepsy, Developmental Delay, Neurocutaneous Disease, Neonatal Neurology, Autoimmune Syndromes, Guillain Barre, Genetic Disease, Cerebral Palsy, Muscle Disease and Peripheral Neuropathy, Infectious Disease of the Nervous System
------------------	--

Neurosurgery

Noel Perin	Spine & Spinal Cord related conditions from base of skull to sacrum (Traumatic, Degenerative, Neoplastic, Congenital, Inflammatory), Peripheral Nerve Disorders, Management of Hyperhidrosis
Richard Rapport	Brain Tumors, Surgery for Epilepsy, Brain Aneurysms, AVMs, CNS Trauma, Infection, Spine and Spinal Cord Disease, Peripheral Entrapment Neuropathies

Oncology

Krista Muirhead	Breast and GI Cancers
Marc Rosenshein	General Adult Hematology and Oncology
Roger Kwong	Non-Hematologic Solid Cancer Diagnosis, Evaluation, and Management, Survivorship and Long-Term Post-Therapy Care, Cancer Prevention and Early Detection, End of Life Planning and Palliative Care

Oncology, Pediatric

Norma Lerner	General Pediatric Hematology
Stacy Month	Sickle Cell Disease, General Hematology and Oncology

Ophthalmology

Douglas Cappiello	General Ophthalmology, Adult and Pediatric, Leadership Mentoring
Melanie Graham	General Ophthalmology, Cornea and External Disease, Uveitis, Retina, Trauma

**Orthopedics/Sports
Medicine**

Adrian Rawlinson	Non-Operative Management of all Musculoskeletal Conditions
Kenneth Elconin	Sports Medicine, Spine Problems, Total Joint Replacement
Joseph Ritchie	Orthopedics, Sports Medicine, Total Joint Arthroplasty
Robert Aptekar	Sports Medicine, Arthritis/Back pain, Joint replacement, General Orthopedic surgery

Otolaryngology

Charles Weingarten	
Philip Rapport	General ENT with the exception of thyroid conditions.
Thomas Tilsner	General Adult and Pediatric Otolaryngology

Pain Management

Sofia Lam	Interventional Pain Management. Recommendations for different type of nerve blocks, consideration of surgical options. No addiction medicine consults
-----------	---

Palliative Care

Charles Schwartz	Primary Care Medicine, Primary Care Psychiatry, Non-pharmacologic Treatments, Integrated Care, Alcohol and Addiction, Palliative Medicine/End-of-Life Care, Mourning/Bereavement, Bioethics, Informed Consent, Advance Care Directives
Jim Bird	Presurgical Medical Evaluation/Optimization, Perioperative Palliative Medicine/Acute Pain Management/Sleep Apnea, Decision making in Frail and Medically Complex Patients Facing Surgery
Michael GuntherMaher	Palliative Medicine, Balint, mindfulness, communications

Pediatrics

Catherine Cordero-Parrish	Concussion diagnosis and management; Differential diagnosis and diagnostic dilemmas in pediatrics ; Well child care ; Sports Medicine ; Immunizations ; Asthma ; ADHD ; Common rashes ; any topic in General Pediatrics up to age 21
E. Marco Baisch	Eating Disorders, High Risk Youth
Germaine Defendi	Medical Genetics, Cytogenetics, Eating Disorders
Mary Margaret Smeal	General Pediatrics
Miriam Heiferman	General Pediatrics
Najah Musacchio	Adolescent and Young Adult Health; Mental Health; Sexual/Reproductive Health
Peter Greenspan	General Pediatrics

Peter Kenny	General Pediatrics, Dermatology, Gastroenterology
Stephen Aji	Child Abuse Pediatrics, General Pediatrics
Sulochina Lulla	Allergy/Immunology, Asthma, Food Allergy, Drug Allergy, Allergic Rhinitis, Eczema, Advanced Health Care Directives, Chaplain, Theosophy/End of Life Issues

**Peri-Operative
Medicine**

Jim Bird	Presurgical Medical Evaluation/Optimization, Perioperative Palliative Medicine/Acute Pain Management/Sleep Apnea, Decisionmaking in Frail and Medically Complex Patients Facing Surgery
Robert Lohr	Perioperative Medicine, General Internal Medicine, Management of Chronic Disease

Psychiatry

Charles Schwartz	Primary Care Medicine, Primary Care Psychiatry, Non-pharmacologic Treatments, Integrated Care, Alcohol and Addiction, Palliative Medicine/End-of-Life Care, Mourning/Bereavement, Bioethics, Informed Consent, Advance Care Directives
Judian Smith	Anxiety Disorders, Mood Disorders, Personality Disorders
Lisa Catapano-Friedman	Dementia, Adult and Adolescent: Depression, Anxiety, Bipolar Disorder, ADHD, PTSD
Lois Freedman	General Psychiatry, Geriatric Psychiatry, Medicine/Psychiatry Interface, Developmental Disabilities
Shawn Barnes	Benzodiazepine Tapering, Holistic Approaches
Stuart Eisendrath	Depression, Bipolar Disorder, Anxiety, Somatization, Munchausen Syndrome

**Psychiatry, Child &
Adolescent**

David Kutz	General Child & Adolescent Psychiatry
Martine Solages	Pediatric Anxiety, Interface of Pediatric Mental and Physical Health, General Child and Adolescent Psychiatry

Psychiatry, Geriatric

Lisa Catapano-Friedman	Dementia, Adult and Adolescent: Depression, Anxiety, Bipolar Disorder, ADHD, PTSD
Lois Freedman	General Psychiatry, Geriatric Psychiatry, Medicine/Psychiatry Interface, Developmental Disabilities

Pulmonology

Daniel Ray	General Adult Pulmonary Medicine
Lewis Lehman	Interstitial Pneumonia, Bronchiectasis
Paul Greif	General Pulmonary & Sleep Medicine (asthma, COPD, pulmonary nodules, PFTs, sleep apnea, narcolepsy, restless legs syndrome)
Ramona Doyle	Adult Pulmonary Medicine, Pulmonary Hypertension
Sullochina Lulla	Allergy/Immunology, Asthma, Food Allergy, Drug Allergy, Allergic Rhinitis, Eczema, Advanced Health Care Directives, Chaplain, Theosophy/End of Life Issues

**Pulmonology,
Pediatric**

Sullochina Lulla	N/A
------------------	-----

**Radiology,
Pediatric**

James Murakami	Pediatric Diagnostic Radiology, Pediatric Neuroradiology, Pediatric IR
----------------	--

Rheumatology

Alan Cohen	Polymyalgia rheumatica, Inflammatory Arthritis
David C. Hurwitz (rheumatology)	General Adult Rheumatology
Gerson Bernhard	General Rheumatology, Inflammatory Arthritis, Gout, Degenerative Arthritis, Appropriate Use of Laboratory/Imaging
Jill Silverman	Clinical Mentoring, General Rheumatology, Chronic Disease Management

Justus Fiechtner	General Adult Rheumatology
Katherine Upchurch	
Maria Greenwald	Rheumatoid Arthritis, Gout, Lupus, Psoriasis/PsA, Ankylosing Spondylitis
Thomas Abel	Interests: General Adult Rheumatology

**Rheumatology,
Pediatric**

Lawrence Zemel	Lyme Disease, Juvenile Arthritis, Childhood Lupus, Amplified Pain, Unexplained Fever
----------------	--

Sleep Medicine

Paul Greif	General Pulmonary & Sleep Medicine (asthma, COPD, pulmonary nodules, PFTs, sleep apnea, narcolepsy, restless legs syndrome)
------------	---

Surgery Vascular

Kevin Martin	Carotid artery disease/stroke, aneurysms, arterial disease, venous disease
Paul Skudder	Vascular Surgery, Wound Care, Carotid Disease, Aneurysms, Venous Disease, Leg Swelling, Varicose Veins, Peripheral Arterial Disease, Chronic Venous Insufficiency, "Recurrent Cellulitis"
Stephen Hoenig	Peripheral vascular disease and limb salvage, carotid artery disease, aortic aneurysm disease, hemodialysis access, wound care, venous insufficiency and varicose veins

Urgent Care

Gus Garmel	Emergency Medicine, Urgent Care, Mentoring, Communication Skills
John Takahashi	Laceration Repair/Wound Closure Options, Musculoskeletal injuries/acute and chronic joint pain

Urology

Adrienne Carmack	Bladder and Prostate Cancer Diagnosis and Prevention, Overactive Bladder, Pediatric Voiding Dysfunction, Recurrent Urinary Tract Infections, and Other Kidney Disorders
Mark St. Lezin	General Adult Urology – Kidney Stones, Voiding Problems, Pelvic Floor Dysfunction/Pelvic Pain, Urinary Tract Infections, GU Cancers, Effective GU Imaging
Stephen Lieberman	Adult and Pediatric Urology, Urologic Oncology (prostate, bladder, kidney, testes), Endourology/Stones
Thomas Staley	General Urology: Prostate Disease, Voiding Dysfunction, Hematuria, Recurrent UTI

Urology, Pediatric

Adrienne Carmack	Bladder and Prostate Cancer Diagnosis and Prevention, Overactive Bladder, Pediatric Voiding Dysfunction, Recurrent Urinary Tract Infections, and Other Kidney Disorders
Stephen Lieberman	Adult and Pediatric Urology, Urologic Oncology (prostate, bladder, kidney, testes), Endourology/Stones

Wound Care

Mark Cotner	General Surgery, Breast Surgery, Wound Care, Veterans Administration and Rural Care, Cost-Effective Care
Paul Skudder	Vascular Surgery, Wound Care, Carotid Disease, Aneurysms, Venous Disease, Leg Swelling, Varicose Veins, Peripheral Arterial Disease, Chronic Venous Insufficiency, "Recurrent Cellulitis"
